Libraries/Frameworks:	React, Redux, Apollo, GraphQL, jQuery, Bootstrap 3 / 4,
Database:	MySQL
Other:	Teamwork, problem solving, ability to pick up new technologies quickly

PROJECTS

Student Search web app – [View](#)

- Built a web app to display through student details obtained from a JSON API
- Built the UI and functionality using ReactJS, HTML and CSS
- Application-level state was implemented via the Context API

Multiple Choice Quiz Creator web app – [View](#)

- Built a web app to enter data for multiple choice questions on the left half of the screen and display the formatted data on the right half of the screen
- Used ReactJS, HTML, CSS for the UI and the Context API for application-level state.

WORK EXPERIENCE

Associate Front End Developer tbk Creative, Toronto, Ontario

June 2019 – November 2019

- Fixed numerous styling issues and other functional bugs, as well as created new pages and implemented new features for the ND Graphics website in WordPress (ndgraphics.com)
- Updated the ND Graphics website to improve SEO and wrote content guidelines for new content going forward
- Made changes and additions to Illustrator files (like flyers, booklets, and catalogues)

Web Publisher Fenix Solutions Inc, Ottawa, Ontario

September 2018 – May 2019

- Gained experience working with a team in a remote environment across multiple time zones
- Migrated over 150 web pages worth of content from Drupal 7 to Drupal 8 for a client
- Collaborated using Smartsheet to update progress on status of migration
- Edited, reviewed, and published webpages to adhere to design guidelines set out by the client
- Helped manage a client's YouTube account

EDUCATION

Udemy

2018 – 2019

Completed over 140 hours of various web development courses, most notably:

- The Web Developer Bootcamp – Colt Steele
- Modern JavaScript From The Beginning – Brad Traversy
- Modern HTML & CSS From The Beginning – Brad Traversy
- React Front To Back – Brad Traversy

University of Ottawa

2014 – 2018

Bachelor of Applied Science in Electrical Engineering (Systems)
